REVOCATION INVESTIGATION PACKET

General Instructions

1. Call before submitting this packet, to determine if you are eligible for reinstatement:

Phoenix 602-255-0072, Tucson 520-629-9808, elsewhere in Arizona 800-251-5866 (Hearing/Speech Impaired–TDD systems only: Phoenix 602-712-3222, elsewhere 800-324-5425)

- 2. Do not submit this packet more than **30 days** after the date that it was signed by a health professional.
- 3. On form C you must list **all** DUIs and alcohol/drug related offenses (traffic, criminal and out-of-state), **convicted or not**.
- 4. Follow all instructions.
- 5. Incomplete packets will be returned.

Eligibility Requirements

All of the following criteria must be met before you may submit this investigation packet:

- 1. Your minimum revocation period has ended.
- 2. If your driving privilege was also suspended, the suspension period must also have ended.
- 3. If your driving privilege was suspended as a result of a judgment filed against you in court (e.g., for damages arising from a motor vehicle accident), that judgment must also be satisfied. The court in which the judgment was filed is to provide a document to us which indicates that the judgment was satisfied. (A mandatory insurance or financial responsibility suspension¹ will not prohibit you from completing this packet. However, some actions may require SR-22² insurance.)
- 4. If your driving privilege is withdrawn, revoked or suspended in another state, you must satisfactorily complete any requirements necessary to reinstate your privilege to drive in that state.
- 5. If you have any warrants or pending traffic complaints/violations against you, you must first resolve all court-mandated requirements (e.g., payment of fines or penalties) and obtain a written satisfaction from the court.
- 6. If you have committed any traffic violations within the preceding 12 months, we are not authorized to accept your application for reinstatement until 12 months have passed since the date of the violations.

¹ A "mandatory insurance" or "financial responsibility" suspension generally results from the failure to maintain required minimum levels of insurance on a vehicle titled and registered in your name. Whether the suspension is court-ordered or the result of MVD action, a reinstatement fee will be due at the end of the suspension period. If it is a court-ordered suspension, we must receive a clearance from the court before driving privileges can be reinstated. Other actions may also be required, depending on the nature of the suspension.

An SR-22 is a form of high-risk insurance, or proof of future financial responsibility, which may be required in some insurance-related actions. SR-22 insurance may be purchased from any insurance company authorized to do business in Arizona.
